

Deep Nude

Freide Dagang

PROBLEM

An app that removes clothing from the images of women

- **Easy to use**
- **invasion of sexual privacy.**
- **Disinformation tool, fake news**
- **revenge porn**
- **Social media is not regulated**

SOLUTION

An app that removes clothing from the images of women

- Stamp that says fake is placed in the upper-left corner
- The app was taken down
- Deep Fakes accountability act
- They are technologies that detect deepfakes
- libel or slander laws (Defamation Laws)

Attorney Carrie Goldberg - *revenge porn specialist*

"It's incumbent on the public to avoid consumption of what we call at my office humili-porn. Whether it's revenge porn or deepfakes, don't click or link or share or like! That's how these sites make money. People need to stop letting their Id drive internet use and use the internet ethically and conscientiously."
